BULLOCK MUSEUM

See classic fan faves remastered for IMAX

Limited tickets on sale 9/26 at 8 AM

The Bullock Museum IMAX Theatre is the first in Texas, and one of only a few in the world, to use the new *IMAX® with Laser* system. Tickets for special one-time screenings of films re-mastered for this technology will go on sale **Monday, Sept. 26 at 8 am**. Don't forget members are invited to special FREE screenings Oct. 5-7 with an RSVP.

Bullock Museum Members now enjoy $3 off feature films every Monday, $1 off features on all other days and free passes to documentaries when the theater reopens.
