

TEXAS HISTORICAL COMMISSION

real places telling real stories

June 13, 2014

Each year, the Texas Historical Commission presents Distinguished Service Awards (DSA) to recognize high-performing CHCs that report a wide range of preservation accomplishments. DSA criteria are published in the CHC Handbook and applied to reporting information. Award-winning CHCs document appointee participation in a number of history-related programs that influence a preservation ethic among decision-makers and citizens. We use projects from DSA winners to illustrate the best of what CHCs can achieve.
