

ARCHEOLOGIST'S NOTICE OF EXISTENCE OF CEMETERY (SAMPLE)

THE STATE OF TEXAS

§
§
§

A

KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF Jacal

THAT the undersigned, acting pursuant to the provisions of Section 711.011 of the Texas Health and Safety Code, set forth this notice of the discovery of an unknown or abandoned cemetery.

The legal description for the land occupied by the Cemetery is (provide survey and abstract numbers and a description; attach as an Exhibit to Notice if necessary):

B *Maria Sanchez Survey, M-35*

The Cemetery is evidenced by [describe archeological evidence resulting from exposure by erosion, inadvertent excavations, intentional excavations, or other evidence—for example, features such as markers with inscriptions, graves marked only by stone, archeological evidence resulting from inadvertent excavations, fencing, commonly used grave plantings (iris, crepe myrtle)]:

C *Mechanical trenching exposed evidence of subsurface archeological deposits, including a dark, rectangular stain. Hand-excavation of the stain confirmed it represented a grave shaft, revealing the remains of a single interment and associated prehistoric pottery and stone artifacts at approximately 4 feet below current ground surface.*

D This Notice signed and executed on the 16th day of September, 2010.
