CASA NAVARRO

Explore the stories of Texas hero José Antonio Navarro, a key advocate for Tejano rights in early Texas at his newly restored 1850s adobe and limestone homestead. Navarro was a signer of the Texas Declaration of Independence, and delegate to the Texas Constitutional Convention. Our new interactive, multi-sensory interpretive exhibits explore his achievements and legacy as a true statesman for Texas. Browse through our museum store, and take a moment to relax in our urban garden oasis in the heart of downtown San Antonio.
