FORT GRIFFIN

Rolling plains and historic ruins blend for stargazing, camping and a glimpse into Texas' military past at Fort Griffin State Historic Site. Holding command over the Southern Plains, the fort served as one in a line of western defensive forts. Included among the ruins are a mess hall, barracks, first sergeant's quarters, bakery, powder magazine and hand-dug well. Fort Griffin is also home to the Official State of Texas Longhorn Herd, the breed that helped create the mythical Texas cowboy. For a true taste of the old west, the site offers camping, fishing, hiking and historical reenactments.
