Item 3

TEXAS HISTORICAL COMMISSION

Item 6.6
Texas Historical Commission
Quarterly Meeting
February 2-3, 2021

Consider approval of contract amendment with Broaddus Construction for construction (design/build) services for the Levi Jordan Plantation State Historic Site.

Background

Government Code §2155.088 requires the governing board of a state agency to approve by vote in an open meeting any material change to a contract for goods or services, regardless of the dollar amount of the contract. The government code defines a material change as an extension of the completion date of a contract for six or more months or a change in the amount of the contract by at least ten percent.

An amendment to the agreement between THC and Broaddus Construction is needed to extend the contract for design/build construction services through March 1, 2022, to complete the construction of various facilities at the Levi Jordan Plantation State Historic Site. Initial design/build schedules, as provided by the contractor, were very ambitious, and the design phase of the project took longer than anticipated to complete. The notice to proceed for the construction phase of the project was issued on December 11, 2020, and additional time is needed to complete the construction phase of the project.

| Vendor/Contract Number | Date Executed | Original Contract | Proposed Amendment |
|---|--|--------------------------------|--|
| Broaddus Construction Contract # 808-19-191815 | Contract start date: 2/12/2020 Current contract end date: 5/1/2021 (Substantial; Completion Date) Amended contract end date: 3/1/2022 | Current amount: \$2,400,000 | Amendment requested: Extend the contract completion date, taking into consideration the extra time necessary to complete the design services. |

Suggested Motion

Move to approve the amendment of contract 808-19-191815 with Broaddus Construction to extend the contract term to March 31, 2022 for design/build construction services at the Levi Jordan Plantation State Historic Site.

TEXAS HISTORICAL COMMISSION

Item 6.6.B
Texas Historical Commission
Quarterly Meeting
February 02, 2021

Consider approval of contract amendment with Dean Howell, Inc., for restoration and renovation services at the Carrington-Covert House.

Background

Government Code §2155.088 requires the governing board of a state agency to approve by vote in an open meeting any material change to a contract for goods or services, regardless of the dollar amount of the contract. The government code defines a material change as an extension of the completion date of a contract for six or more months or a change in the amount of the contract by at least ten percent.

An amendment to the agreement between THC and Dean Howell, Inc. is needed to install lintels at each window opening of the Carrington-Covert House before the fabricated windows can be installed. During removal of the first few windows, it was discovered the openings have no lintel to support the masonry. The contract completion date also needs to be extended to meet the additional time needed to install the lintels and complete the window installation.

| Vendor/Contract Number | Date Executed | Original Contract | Proposed Amendment |
|--|--|--|--|
| Dean Howell, Inc. Contract #808-20-201301 | Contract start date: 07/17/2020 Current contract end date: 2/16/2021 Amended contract end date: 5//2021 | Original amount: \$208,300 Current Amount: \$240,110 Amendment: \$17,400 | Amendment requested: Increase the contract to install lintels at Carrington-Covert House window openings and to extend the contract completion date. |

Suggested Motion

Move to approve the amendment of contract 808-20-201301 with Dean Howell, Inc., to increase the amount by \$17,400 for lintel installation at Carrington-Covert House window openings and to extend the contract completion date to May 15, 2021.
