MUSEUM CONSULTANTS

The Texas Historical Commission's (THC) Museum Services Program staff provides this list for informational purposes only. The list is not exhaustive, nor does it constitute an endorsement of the consultants listed. We suggest that you obtain information from a number of consultants so that you can make cost comparisons and assess the full range of available services. Most consultants provide services throughout the state, not just in their listed cities. Contact emily.hermans@thc.texas.gov or 512-463-5921 with questions.
