FORT GRIFFIN
Rolling plains and historic ruins blend for a glimpse into Texas’ military past. The fort served as one in a western defensive line over the Southern Plains. Among the ruins are a mess hall, barracks, first sergeant’s quarters, bakery, and powder magazine. Fort Griffin is also home to the Official State of Texas Longhorn Herd, the breed that helped create the mythical Texas cowboy. The site offers camping, fishing, hiking, stargazing, and historical reenactments.
