The 52-county Texas Plains Trail Region features rich heritage, diverse culture, and unforgettable history. Travel and tourism are vital to the Texas economy, and the Plains Trail Region is no exception. In 2018, direct travel spending in the Plains Trail Region accounted for roughly $2.6 billion of the overall $80.3 billion spent by visitors to the state.

Visiting historic sites, communities, and museums is a significant component of the state’s and region’s travel industry. A 2015 study by The University of Texas at Austin and Rutgers University determined that more than 10.5 percent of all travel in Texas is heritage-related.
